General Terms and Conditions (T&C) for "Arbeitszeiten"

1. Scope and Subject Matter

(1) These General Terms and Conditions (hereinafter "T&C") apply to the use of the web app "Arbeitszeiten" (hereinafter the "Service"), operated by Vincent Klug, Ernst-Ludwig-Straße 19, 64283 Darmstadt, Germany (hereinafter the "Provider").

(2) The Service offers registered users a platform for recording, managing, and evaluating working hours and work profiles.

2. Registration and User Account

(1) Use of the web app requires the registration of a free user account. The user is obliged to provide truthful information during registration and to keep their login credentials (username and password) confidential.

(2) The Provider is entitled to temporarily block or delete accounts in the event of violations of these T&C or abusive use (e.g., spam registrations).

3. Scope of Services and Availability

(1) The Provider makes the Service available within the scope of existing technical and economic possibilities. No guarantee is given for uninterrupted or error-free availability of the Service.

(2) The Provider reserves the right to change, extend, or restrict the functionality of the web app at any time.

4. User Obligations

(1) The user undertakes not to upload or store any content that violates applicable law or infringes the rights of third parties.

(2) The user is themselves responsible for the working time data they enter and is expected to independently back up important evaluations.

5. Limitation of Liability

(1) The Provider is liable without limitation for intent and gross negligence. For slight negligence, the Provider is liable only for the breach of material contractual obligations (cardinal obligations), i.e. obligations whose fulfilment is essential for the proper performance of the contract in the first place.

(2) As the web app serves as an aid for private or professional time tracking, the Provider gives no warranty for the tax-law or employment-law correctness of the evaluations generated.

6. Term and Termination

(1) The usage agreement is concluded for an indefinite period.

(2) The user may terminate the agreement at any time by deleting their user account in the app settings.

7. Final Provisions

German law applies. Should individual provisions of these T&C be or become invalid, the validity of the remaining provisions shall remain unaffected.
