Privacy Policy for the Web App "Arbeitszeiten"

1. General Information

This privacy policy informs you about the type, scope, and purpose of the processing of personal data when using our web application "Arbeitszeiten". Data processing is carried out in accordance with the General Data Protection Regulation (GDPR), the Federal Data Protection Act (BDSG), and the German Telecommunications-Digital Services Data Protection Act (TDDDG).

2. Controller

The controller responsible for data processing under the GDPR is: **Vincent Klug**
Ernst-Ludwig-Straße 19
64283 Darmstadt, Germany
E-Mail: electrodia2005@gmail.com

3. Hosting, Database, and Infrastructure

a) Hosting Provider and Server Location

The web app is hosted via **Render.com** *(or optionally via Google Cloud Run)*. The servers and data centers are located in **Europe (Frankfurt am Main, Germany)**. A Data Processing Agreement (DPA) pursuant to Art. 28 GDPR has been concluded.

b) Database

Application data is stored using **Supabase** (Supabase Inc.). The database instance is also hosted in **Europe (Frankfurt am Main, Germany)**. A DPA is in place.

c) Server Log Files & Rate Limiting

When you access the web app, the server infrastructure automatically collects technical access data (IP address, timestamp, requested URL, browser type/user agent). We also use rate limiting to protect our servers and accounts from automated spam, bots, and brute-force attacks.

- **Legal Basis:** Legitimate interest in ensuring technical operation, troubleshooting, and IT security pursuant to **Art. 6 Abs. 1 lit. f GDPR**.

4. Data Processing during App Usage

a) Registration, User Account, and Password Reset

To use the app, creating an account is required. We process:

- **Username** (freely chosen, min. 3 characters)
- **Email address** *(optional / used for password recovery and spam prevention)*
- **Password** (stored exclusively as a secure cryptographic hash using scrypt/pbkdf2 with a salt)
- **Session and authentication tokens** (valid for up to 7 days)

b) Optional Profile and Content Data

- **Profile Picture (Avatar):** Uploaded profile pictures are resized server-side to a maximum of 384×384 pixels, converted to WebP, and stored as a data URL in the database.
- **Work Profiles and Working Hours:** Work profiles, categories, target monthly hours, and daily working hour entries created by you.
- **Legal Basis:** Performance of a contract pursuant to **Art. 6 Abs. 1 lit. b GDPR**. Providing an email address for password reset serves account security (legitimate interest pursuant to Art. 6 Abs. 1 lit. f GDPR).

5. Cookies and Local Storage

Our web app uses strictly necessary cookies and browser storage technologies required for core functionality (no tracking, no third-party analytics):

1. **session (Cookie):** Manages your active session, selected work profile, and CSRF protection tokens.
2. **lang & theme (Cookies & Local Storage):** Saves your language choice (de/en) and theme preference (auto/dark/light) for 1 year.
3. **selectedDate (Local Storage):** Stores the last selected calendar date locally.

- **Legal Basis:** Strictly necessary for providing the requested digital service pursuant to **Section 25 (2) TDDDG** in conjunction with **Art. 6 Abs. 1 lit. b GDPR**.

6. External Links (Donations via PayPal)

The app includes an external link to support the project via **PayPal**. Clicking the link redirects you to PayPal (PayPal (Europe) S.à r.l. et Cie, S.C.A., Luxembourg).

7. Data Retention and Account Deletion

Your data is stored as long as your account exists. You can permanently delete your account at any time in the settings under "Delete Account". All associated data will be immediately and irreversibly deleted.

8. Your Rights as a Data Subject

You have the rights under Articles 15–21 GDPR (access, rectification, erasure, restriction, data portability, revocation, and the **right to object pursuant to Art. 21 GDPR**). You also have the right to lodge a complaint with a supervisory authority.
